

# Huckstadt Hustle 5K

## Bottenfield Elementary School

The Bottenfield Mileage Club was originally developed by beloved Bottenfield PE teacher, Wendy Huckstadt. Wendy served in Unit 4 for 14 years and taught at Bottenfield for 10 years. She passed away in October of 2013, after battling cancer. She was known to motivate students and families to live an active and healthy lifestyle and she enjoyed fundraising for various national organizations focused on health. In honor of Wendy and her commitment to health, Bottenfield staff members have joined together to re-establish the Mileage Club. This race is in her honor and to support any student of Bottenfield Elementary who wants to run in the Presence Health 5K, part of the Christie Clinic Illinois Marathon, in 2017.

### LOCATION, DATE & TIME
